NU-COAT	Nu-Coat TECHNICAL DATA SHEET				М16-Н-Р
Description	M16-H-P. 80µ matt white high-opacity 5 year monomeric PVC, HighGRAB clear permanent adhesive, 140gsm printed PF liner 'M Series' 5 year monomeric for flat-sides. High opacity matt white monomeric with a clear HighGRAB permanent adhesive on a PE liner. Better than standard permanent adhesives for a wider range of difficult surfaces such as smooth and lightly textured walls, floors, ceramic tiles, carpet tiles, MDF, wood, plasterboard etc. Also smooth low- surface energy surfaces such as PP etc. High opacity coverall film is the to a grey adhesive. EN13501-1 and BS 476				
Key Features	Solvent, Latex and UV printable. For flat mid term surfaces. Fire rated. Adheres well to more difficult surfaces. No adhesive milking when wet applied. Available up to 1600mm wide. Phthalate Free. VOC Free.				
Conversion	Primarily for digital printing but can be CAD cut.				
Precaution	For application to flat surfaces only.				
Application	Dry or Wet application.				
Compliance	REACH and RoHS compliant				
Fire Certification	EN13501-1 and BS 476 Class 0				
Adhesive weight Perceived Tack Liner Dimensional stability Conformability Optimal application temp	'HighGRAB' permanent clear UV polyacrylate - VOC Free Nominal 40gsm High Tack Permanent 140gsm PE liner Nominal 0.28mm 1D Flat-sided +5 to 25°C +2°C on stainless steel or glass +30°C -30 to 100°C

Important	The nominal values shown are based upon research and test methods on unprinted material and are provided without guarantee and do not constitute a warranty. Users are advised to ensure that performance and reliability are not compromised by determining the suitability of each product prior to its intended use. Prolonged exposure to high and low temperatures in the presence of chemicals such as solvents, acids etc. may eventually cause deterioration. Actual performance will depend on substrate preparation, exposure conditions and correct application. For further information on the test methods used refer to www.nu-coat.com/testmethods . Nu-Coat Limited will not be liable for any indirect or consequential loss.
